### INSPECT

verified  
electronic  
inspections

### GUIDE

advanced  
commercial  
navigation

### CONNECT

two-way and  
forms-based  
messaging

### COMPLY

easily manage  
hours-of-service  
logs

#### All-In-One Device

Improve efficiency with the most versatile mobile device in the transportation industry—Zonar's [purpose-built 2020 tablet](#). This innovative device works inside and outside the cab to provide drivers with verified electronic vehicle inspections, hours-of-service logs, driving performance feedback, turn-by-turn navigation, two-way messaging and more.

#### Connected Platform

The 2020 helps your drivers connect to what's important while focusing on what matters the most. Fleets can automate common processes, maximize operational value and improve driving efficiency with the 2020 and its apps. Experience a new level of safety, compliance and performance that only Zonar's 2020 tablet can deliver.

#### Features and Capabilities

- 16 GB NAND Flash storage memory
- USB Type A and micro-USB ports
- SD/MMC card slot
